## **SBA TO STAY IN FRANKLIN COUNTY SBA URGES APPLICATION RETURN - DON'T WAIT FOR INSURANCE**

**TALLAHASSEE, Fla.** – The U.S. Small Business Administration (SBA) disaster loan staff will remain in Franklin County after the joint state/federal disaster recovery center closes according to SBA Acting Disaster Area Director Frank Skaggs.

Beginning Monday, August 29, SBA will operate an SBA Disaster Outreach Center at the prior disaster recovery center in Franklin County at the East Point Volunteer Fire Department, 24 6<sup>th</sup> Street, in East Point. SBA representatives will be available at the East Point Volunteer Fire Department, Monday through Friday from 9:00 a.m. to 6:00 p.m., until further notice.

“I thought it was important to have our loan staff stay in Franklin County a little while longer to help area homeowners, renters, and business owners that still need help with the SBA loan application process. Providing individual help is an important part of what we do to help people recover from a disaster,” Skaggs said.

“Don’t wait to settle your insurance claim before turning in your completed SBA disaster loan application. SBA loan officers do not need insurance settlement information to process your application. We don’t want anyone that had damages from Hurricane Dennis to miss the September 8 application deadline for physical damages,” added Skaggs.

For an individual with personal property and/or home losses, a completed application will also keep the door open to other types of assistance. Those homeowners and renters who do not return a completed SBA application may be disqualifying themselves from other types of assistance, including possible grant assistance.

Even if you have insurance, you should call the Federal Emergency Management Agency (FEMA) at 1-800-621-FEMA (3362) and register for assistance. “This one call will get you referred to the agency best able to meet your disaster-related needs,” Skaggs added.

Information on SBA loan applications is also available by calling the SBA Disaster Assistance Customer Service Center at 1-800-659-2955 (for the hearing-impaired 1-800-877-8339) or visiting the SBA Website at [www.SBA.gov/disaster](http://www.SBA.gov/disaster). Completed applications can be taken to the office in East Point or can be mailed to: Disaster Assistance Loan Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, Texas 76155.

The deadline for returning applications for physical damage is September 8, 2005; the deadline to return economic injury applications is April 10, 2006.
